

WTB: transmission

Posted by Grenadiers - 20 Jan 2014 15:58

Looking for 944 transmission in Arizona. Prefer northern AZ to Phoenix area. Have a 924 Turbo tranny with low 5th for partial trade. My 3rd gear went out (hard 4 to 3 downshift) due to low oil, shifts in and out of 5th no problem.

Dave,

Give me a call, I can get you hooked up I am pretty sure.

Keith
