Race Results are up on 944 spec.org

Amazingly 16 races into an 18 race season the championship is still up for grabs.

Current Top 5 points after drops (best 2 drops = resulting points)

1. Gormley... 955 ($47+28 = 75$)
2. Paluch.....860 ($80+75 = 155$)
3. Foxx.....850 ($0+0 = 0$)
4. Griffith...798 ($0+0 = 0$)
5. Hauck.....750 ($65 + 50 = 115$)

So despite a 95 point lead if Gormley has 2 poor finishes in the last two races he can still be over taken by both Paluch and Foxx.

Paluch and Foxx are in a tigh battle for 2nd in the Championship and both Grffith and Hauck have a chance a 3rd in the championship if Foxx stumbles.

The Final two rounds in the Arizona 944 Spec Championship will take place at PIR at the traditional Thanksgiving season ender with both an sprint race and enduro on the schedule.
