Somebody better pick this up soon before it gets sold. I think Jeremy needs a cage. Who else?

That is a killer deal for a brand new cage for only \$550.

&guot; New, still wrapped, Autopower bolt-in roll cage for Porsche 924 (and possibly 944 - you need to make sure).

I believe this to be model #8389

Comes with all hardware, base plates, and tubing.

These are currently selling for over \$800.00.

Item is located in Salinas - 93901
