

Claiming your Toyo Bucks

Posted by Litespeeds - 24 Feb 2009 01:37

Just remembered that I have a couple of Toyo Buck certificates expiring Feb. and Mar. 2009 so I decided to go ahead and purchase 2 Toyo R888 in the size 225/50/15.

I know that Bryan will give you credit for sending him the Toyo Bucks but I think it is better to just claim it for the tires so you have at least an extra pair of race tires sitting around in case you need them.

The tires are \$153.00 ea freight is \$12.00.

You can send the certs to:
