Hey racers, have you gotten that car out, cleaned out the cobwebs and made sure you have all your gear up to standards? So Cal's first event of the year is March 12th and 13th, and I'm looking forward to seeing a big group out there.

What a lot of fun!! Can't wait for BW. Too bad about Clays t-belt. I hope he has a motor together for then!

It's ALIVE! Finished reassembly yesterday- fired up ok. Haven't done anything to shake it down and see if any parts fall off.....
