SOLD

1987 Porsche 924s PCA SP1 944 spec race car.

Races in PCA 944 SP1, NASA 944 Spec and SCCA.

This car was built in 2013 and only raced once at ECR 2013 PCA Club race. The engine was rebuilt by Lyndsey Racing and currently has 12 hours on the clock. The entire car has been gone through and rebuilt or replaced so this is essentially a new car.

Car is in excellent condition with so few hours on the track.

Priced at \$9000.

Car located in Dallas Tx. Photos at the following link.
