WTB - Autopower cage Posted by Jump07 - 11 Jun 2008 01:42
I am searching for a NASA legal cage for my 85/1 944.
I would love to find one in NorCal. Look aroundask aroundlet me knowTHANKS!
Jeremy

Jeremy,
If you haven't already seen it, there's an autopower rollbar on craigslist.
sfbay.craigslist.org/sfc/pts/838097372.html
If you can talk him down a little on the price and buy the Autopower add on front hoop kit, you might save some \$\$.
