WTB - Short 5th gear Posted by SjoeyP - 02 Jun 2014 17:30
I want to swap out my tall for a short 5th gear for a 1985.5; will any 944/924 short 5th do?
Does anyone have one for sale?

If you are still looking for a short 5th gear set I have one in my old racecar stock.

LININC,
I sure am what do you want for it?
