

VACA Florida....I can bring late phones

Posted by jh36 - 13 Jun 2016 05:38

Several sets of late offset phones. I'm heading to Daytona to see my son in July. If you are anywhere between Maryland and Daytona on 95, I can meet you. Love to find a home for these. Also have a late AFM....maybe some other bits if I dig harder!

Sounds good Jason...my in-laws are in Fayetteville, so I'm there pretty often. As a matter of fact, I'm stopping to pick them up and take them with us on vacation!

Jack, please save a good set for me. I can meet you either weekend, July 9-10 or July 16. Thanks. Joel
