

FS: Low mileage NA early 944 transmission

Posted by rturk3 - 11 Mar 2017 06:06

This transmission is from my previous 1985 944 that has approx. 110,000 on it. I drove this transmission for several years, no issues, shifts smoothly, etc. I am moving and this needs to go.

The code is: QM03124.

\$200 OBO plus shipping. Located in Charlottesville, VA and can accommodate local pickup (preferred)
