WTB: SET OF 4 15x7 COOKIE	CUTTERS
Posted by robweber1 - 30 Sep 2017 09:04	

Looking to pick up a set of 4 (or possibly 8 depending on price) 15x7 cookie cutters. They seem to be harder to come by on craigslist and local forums and I can't source any right now. Let me know if you have any you can part with! Located in Atlanta, willing to drive to states bordering GA for pickup.
