

Set of 15x7 Cookie Cutters on Craigslist only \$175

Posted by Litespeeds - 20 Oct 2009 03:48

sfbay.craigslist.org/eby/pts/1428081648.html

Saw this on Craigslist and thought it was a good deal for someone who is interested in an extra set of wheels. I have a set but would want \$300 so I'd thought I'd share my find with others.
