Lots of stuff left over from my builds & parts cars
2 cam towers with desirable late -09 cam. Cams in great shape. \$40 + shipping
1 set of lifters, also in great shape. \$75 + shipping.
Many suspension parts, mostly early offset, aluminum
Bare head, good shape \$50 + shipping
One set of valves, and valve springs - tested, all within spec per machine shop. \$40 valves, \$40 for springs, \$75 for both.
Complete head, rebuilt complete with steam vent mod. Was on the car I crashed for 2 events. No damage in crash - timing belt intact. Shaved for low compression motor - may put high comp. motor over limit. Great shape. \$300 + shipping.
