Product DetailsNike Air Flightposite Men Basketball Shoes KG Lunar/Black-The Nike Air Flightposite was one of the first shoes ever to feature Foamposite technology. They are seemless, and created from a molded liquid, as opposed to being baked in an oven like other shoes. It was created to look like an "organic extension" of the foot, and features curves throughout. The shoe was futuristic looking upon its original release, and even now has a futuristic look. Come here and choose your fittest. Hoping you have a nice shopping time.
