Short shifter Posted by tradin1 - 20 Jan 2017 17:56	
	ort shifter in my sp1 924s. WOW!! It finally feels like a race car. I thank the powers to be for fixing the worst part about driving this
Re: Short shifter Posted by Grenadiers - 24 Apr 2017 14:07	
Well, using a caliper, it's at least a 1/16t	th of an inch thicker!

Pretty sure there is only one kit to rule the trying to assemble?	hem all. Have you tried loosening everything up first and then
Re: Short shifter Posted by Grenadiers - 27 Apr 2017 18:55	
Turns out they received some out-of spewell now.	ec kits, mine wasn't the only one. It wasn't ever going to fit. All is
