

Michael Skeen to Coach for 944 Spec at Nationals

Posted by Sterling Doc - 03 Jul 2011 18:48

Home-grown NASA racer turned Pro racing sensation, Mike Skeen, will be at NASA Nationals to help 944 Spec racers get up to speed at Mid Ohio.

Skeen knows Mid-Ohio exceptionally well, and owns the World Challenge GT Lap record there. This record was set in his World Challenge debut, a race he went on to win. Skeen also won a NASA National Championship in a very competitive SpecE30 field at Mid-Ohio in 2008. Skeen's full bio is here: <http://www.mikeskeen.com/about/>

Skeen will give a free presentation on how to get around Mid-Ohio quickly for 944 Spec racers early in the event, and will provide personal data & video analysis to 944 Spec racers on a daily fee basis. This will be a great asset to 944 Spec racers, especially those new to Mid-Ohio. Thanks to Mike Skeen for providing these services to 944 Spec racers!

Let me know if you would be interested in signing up for personal data/video review by Mike. This will be on a first-come, first-served basis, and slots are limited each day.

Individual Coaching Sign Up:

-Neal Agran

-Angel Blazquez

-Eric Kuhns

-Joel Karns

This is on top of the data sharing previously planned.

Some more details.

Mike will do personalized data & video review for \$400/ for the first day, \$250 for subsequent days.

We are going to keep it to about 5 drivers/day or less to keep this manageable.

OK guys, Mike is wanting to firm this up - so I need to know who's in, and for how many days.

1. Eric - 2 days
2. Neal ?
3. Joel ?
4. Angel ?

Unfortunately I'll have to back out due to funds. The recent engine rebuild put a big dent in my budget.
