

2015 Small Bore Shoot Out - June 13-14 - Memphis

Posted by early70scamaros - 29 Oct 2014 09:26

We have finalized the date for the 2015 Small Bore Shoot Out presented by St. Clair Foods.

The event will be held the weekend of June 13-14 at Memphis International Raceway.

The 2014 event saw 7 944 Spec cars battling for cash prizes of \$1000 for first, \$500 for second, and \$250 for third place.

It is our hope that by getting the date out early, more competitors and classes will be represented.

Come on out to Memphis and enjoy some of that good old southern hospitality.

Could we discuss the possibility of doing a Mid-South vs SE mini-series? Im thinking 3 races with this being one of them? Maybe call Great Lakes to see if they want to get involved? (Mid-O/Autobahn, Road Atlanta, Memphis)?

I think this is a great idea. We are doing a joint event with the Midwest/Great Lakes region at the National Corvette Museum track in Bowling Green July 17-19. Why don't we include that one?

Which RA event would you recommend?

The earlier we figure this out the better chance we have of it being a success.

You know I'm in!

An inter-region series sounds cool, too. Maybe the winner could be a region rather than individual driver to encourage car counts? Double points when you are racing out of region or something...

We could probably work VIR in there, too- I'm sure a lot of the Midsouth/Great Lakes/Midwest/Southeast drivers will be there at least once before Nationals.
