New	Track	Record	at	Miller	for	Norm	Hamden
-----	-------	--------	----	--------	-----	------	--------

Posted by AvantAddict - 16 Sep 2009 04:59

Looking through all the race results, it looks like Norm has the new track record for the outer loop with a 2:21.140.

What I think is more impressive is that a total of 11 of the 34 drivers were faster than the previous record of 2:22.005 set by Rick Lofgren last year in the main race.
