Chuck, can I give the 85 to Rob since he's been racin' longer than I? I could do the 185, my PCA number... yes, no?

also i peeked at season standings and I'm 10th (!!!)... does CDOC do something for the season or just each race?

So far with the Hanksville plates we only have 2 digit numbers. If the group goes with a larger plate then 3 digits would be fine. As of now with Hanksville we are limited to 2 digits so the 85 is yours or you can give it to Rob.

we will be having a chat with hank to see what he wants to do next year.
