

Pot-O-Gold Rush, March 14-16, Road Atlanta

Looks like we have 9 confirmed!

1. Stanley

2. Duffy

3. Hurley

4. Yousko

5. Evans

6. Toler

7. Werner

8. Pohlman

9. Dearstyne

I see three entries for GTS1 that are chassis eligible for our class (2 944s and a 924S), are any of these potential recruits into our ranks? If its something simple like chip, brakes, etc lets go after em and expand our ranks. Judging by times, I would say if they are GTS1 registered, they are already close to 944 Spec rules. I have a set of old RRs Id be willing to donate.

Anyone else waiting to sign up?

I am- as long as the race Saturday is late I will be good to go.

I think Fred is waiting, too.

Not sure about Mike.

List updated. If we get 2 more, everyone is eligible for Tire Money.

Will there be a bet this time? Who's hosting the pit party Saturday night?

There will also apparently be a DynoJet at the track that will be open to use for \$75 if anyone needs to check/verify power. Runs can be purchased from the registration page. I may dyno mine since I rebuilt the head after my last one.
