Guys, this Stanly dude needs some competition. Thank God Allan will be back soon. Anybody notice how he hits his marks on every turn I think that should be illegal, what a show off. Let's consider a rule that eliminates exhibition driving.

Your video will be on youtube soon then we can all enjoy the wonders of your driving too!

Put my video up so everyone can see and criticize? That's COLD! On a serious note I don't think that was me driving, it was my evil twin.
